

MARKET CarbonExpo AUSTRALASIA 2009

Gold Coast Australia | 26-28 October

creating the **right climate** for trade

Australia's Emissions Trading Scheme to start in 2011 Come & discover Australia's new carbon market opportunities

Do you wish to **take advantage of opportunities** in Australia's new carbon market ?

Do you wish to **meet suppliers & sellers** of carbon market services and products ?

Do you need to understand how an Australian emissions trading scheme will **affect or benefit your business** ?

Do you need to **understand how to fulfil your obligations** under new energy and emissions reporting legislation ?

"Congratulations on a great event. Having attended many carbon events... this was outstanding"
- Helen Robinson, CEO, TZ1 Registry, New Zealand

Carbon Market Expo Australasia 2009 will feature a high level conference, major trade fair and in-depth technical workshops that draw on the skills and knowledge of experts actively participating in global carbon markets.

The trade fair is Australasia's premier showcase of carbon market products and services from across Australia and the Asia-Pacific.

Participants and exhibitors at Carbon Market Expo Australasia 2009 will include:

- Carbon asset investors and managers
- Businesses with corporate or product emissions reduction strategies

- Government and/or private market-based emissions reduction initiatives
- Carbon offset projects, wholesalers and retailers
- Carbon accountants, auditors and verification services
- Research and education institutions
- Businesses manufacturing and retailing low carbon emission technologies
- Carbon market advisory and facilitation services (carbon pools, brokers, legal advisers and risk managers)

This product is 100% Carbon Neutral
All Greenhouse Gas emissions associated with producing this product have been offset
